**IMPORTANT INFORMATION FOR PASSENGERS**

All work in support of this trip that is not performed by train operators or commissioned ticket sellers is performed by volunteer members of two non-profits (CCRC & PLA) who receive no payment for services. This trip is being run for the enjoyment of our members and supporters and the public.

The equipment on this train, and at station stops, has limited facilities for the physically challenged. Passengers must be able to board and alight the train with a minimum of help. The stop at Old Town will be a very short one to avoid prolonged blocking of city streets; it is suggested that the physically challenged alight at San Diego and take the light rail to Old Town. The dome car is a heritage car and does not have access to the dome area for the physically challenged.

**Responsibilities:**

As a condition of accepting participation of the trip set forth in this flyer, each passenger agrees to hold Central Coast Railway Club (CCRC), the Pacific Locomotive Association (PLA), the San Bernardino Railroad Historical Society, Amtrak, San Diego Northern, Metrolink, and Coaster train operators harmless from any claims or liability arising from passengers participation on the trip, regardless of cause. Notwithstanding anything to the contrary set forth in this flyer, in the event CCRC, and PLA, or any train operator cancels the trip, CCRC, and PLA shall not be responsible to pay to passengers any sums in excess of the cost of the train trip described in the flyer. If the trip is canceled, a refund will be made in the face amount of the ticket.

**Ticket Policy:**
